MULTIPLE OFFERS RECEIVED!

After living in this beautifully maintained Noe Valley home for 40 years, my sellers decided to move closer to their grandchildren. High ceilings, skylights, and gleaming wood floors fill the home with an abundance of warmth and soft natural light. Located in Noe Valley, this property has an impressive backyard. Our marketing campaign showcased these exemplary features and attracted the perfect couple for this wonderful home!

Call for an appointment and let me show you how I can sell your home plus help you find your dream home!

If your home is currently listed for sale this is not a solicitation of that listing.
