

# LAUNCHING THE **NEW** SOLAR SKIRT

Our Titan Eco Solar Skirt is the UK's first decorative solar skirt. It completes the solar PV array in improving the aesthetics of the PV system.

## BENEFITS

- ✓ Provides a sleek black finish to solar panels
- ✓ Hides unsightly gaps, wires & rail and water run-off
- ✓ Keeps pigeons and rodents out
- ✓ Quick and easy to install
- ✓ Clamps fit any panel from 30mm - 50mm

- ✓ Clamps easily to the panel using an Allen key
- ✓ The skirt is 1.2m long and 160mm wide
- ✓ Made of Aluminium sheet - grade 1050 H14
- ✓ Powder coated Matt Black (RAL9005) clamps and skirt
