

QUALIFEYE

At last, a technology solution that brings authenticity and transparency to qualifications

Bringing integrity back to qualifications, an online Secure Register that authenticates and consolidates societies qualifications, enabling Employers, Boards and other Organisations to easily locate and validate in one simple location.

EMPLOYERS

AVOID FAKE-DEGREE RISK...

Save Time - Remove Risk - Protect Integrity

Authenticating qualifications can be exceptionally frustrating and time consuming. Avoid placing an unqualified person in a position of responsibility and it's potential to devastate your reputation. Request holders of accreditation to provide their secure **QUALIFEYE URL**, enabling organisations to confidently validate all certifications on the register.

SECURITY

Hosted by the same Government cleared, and specialized security engineers that created operating systems for: Australian Taxation Office - Australian Investment and Securities Commission - Civil Aviation Authority The Australian Government Treasury.

COLLABORATE

The Fee income from certification holders establishing a Qualifeye account is shared with the institutes to cover their administrative costs of engagement, and encourage graduates of all disciplines to register.

UNIVERSITIES & INSTITUTIONS CENTRE FOR QUALIFICATION INTEGRITY...

Secure - Reliable - Commercial

Reinforcing the significance of qualification authenticity and importance of the skills developed, while reducing the use of counterfeit degrees and diploma mills.
